RE: Request for Proposal (RFP) Number EPS21501-0023-007 for Transportation and Disposal Services at the Niagara Falls Boulevard Site in Niagara Falls, New York.

Guardian Environmental Services Company, Inc. (GES) has identified your company as a potential vendor for the referenced acquisition for the above referenced solicitation.

Your firm is hereby requested to submit a proposal in response to this solicitation. Responses to this solicitation must be submitted by 3:00 PM on Monday, August 22, 2016 to be considered for award. Emailed proposals are acceptable for this solicitation.

BASIS FOR CONTRACT AWARD

The Subcontract award will be based on scheduling availability, technical capability, cost, and past performance. The technical evaluation will include a review of bidders' general qualifications and the information requested in this RFP. Proposals should be submitted in the most favorable terms, from a price and technical standpoint, as an award may be made on the basis of the proposal submitted and without further discussion. GES reserves the right to accept or reject all or part of any bid and to waive any and all formalities whenever in the best interest of GES.

GES reserves the right to award multiple and/or partial contracts for this solicitation or cancel this proposal at any time and does not commit itself or the U.S. Government to pay for any costs incurred in the preparation and submission of a proposal. This document is neither a Purchase Order nor a Subcontract. Submission of a proposal does not in any way guarantee award of a Purchase Order or Subcontract.

Response submittals should be sent to:

RFP No. EPS21501-0023-007

Transportation and Disposal Services

**Niagara Falls Boulevard Site
Niagara Falls, NY
August 16, 2016**

Guardian Environmental Services Company, Inc. (GES) has been tasked by the United States Environmental Protection Agency (EPA) Region II to conduct a removal action at the Niagara Falls Boulevard Site located at 9450 Niagara Falls Boulevard in Niagara Falls, NY. The Scope of Work required under this RFP or contract is for the subcontractor(s) to provide all labor, equipment, materials, supplies, and permits necessary to properly perform transportation and disposal as described below in Section A.2.1 from the EPA, Region II, Niagara Falls Boulevard site. A description of the scope of work to be performed is provided below in Section A.2.

A.1 Site Information

Site Name: Niagara Falls Boulevard

Street Address: 9450 Niagara Falls Boulevard
Niagara Falls, NY 14304

Situation: GES is currently performing site cleanup activities as the prime contractor for EPA Region II at the Niagara Falls Boulevard Site in Niagara Falls, NY. In order to perform cleanup, GES requires radioactive soil be removed from site for off-site disposal at a CERCLA acceptable facility. The facility and transporter must have all applicable permits, licenses, etc. to perform this work.

A.2 Scope of Work

The chosen vendor will provide disposal services for the types of waste listed in the table below. It should be noted that these are estimated volumes and there is no guarantee of the full amount of items being awarded to the selected vendor(s).

A.2.1 Description

| Item | Description | EPA Hazardous Waste Codes | Approximate Quantity | Unit Measure |
|------|--|---------------------------|----------------------|--------------|
| 1 | Disposal of Waste Radioactive Soil, Asphalt, concrete, and debris. | None | 0-18,900 | Tons |
| 2 | Transportation of Line Item 1 via 30 cubic yard roll offs with attached tarps. | NA | 0-1,112 | Load |
| 3 | 30 Cubic Yard Roll Off -6 mil liner | NA | 0-1,112 | Each |
| 4 | Roll Off Delivery/Spot Fee | NA | 0-20 | Each |
| 5 | Daily Rental | NA | 7300 | Days |
| 6 | Taxes (State, County/Local) | | | |

Overview Description: GES intends to award a services subcontract to the successful bidder that can provide T&D services for the waste stream(s) described in this solicitation. The intent is for GES to rent up to 20-tarped 30 cubic yard roll offs with 6 mil liners to load the described waste into for offsite disposal.

Line Item 1 – is for the disposal of radioactive soil, asphalt, concrete and debris.

Line Item 2 – is for the transportation of Line Item 1 via 30 cubic yard, tarped, roll off containers. Containers must arrive on-site clean and empty of debris. All drivers and vehicles must have legal permits and all applicable licenses to haul this material. The cost should include: transportation of the container to the Niagara Falls Boulevard job site, pickup of the container from the job site when full and released for shipment, and the transportation of the full container to the disposal facility and transportation of the emptied roll off back to the Niagara Falls Boulevard site or vendors storage yard if the roll off container has been released from use at the project site. All drivers and personnel are to remain with their vehicle and will be escorted to loading and unloading areas. Personnel must keep out of fenced or marked restricted areas of the project site.

Line Item 3 – is for 6 mil poly liners for each roll off load of waste estimated at 1,112.

Line Item 4 – is for the initial transportation/ spot fee for a roll off container. If the delivery of a box coincides with the pick-up of a box, no fee will be charged. The subcontracted transporter must be capable of spotting/removing roll off boxes to/from site within 2 business days' notice from GES.

Line Item 5 – is for the daily rental charge for the roll off boxes on a per box basis. Rental of a container commences upon delivery to the project site and that container rental ends upon release by the project site post tipping at disposal facility.

Line Item 6 - GES is not tax exempt therefore all applicable State and Local taxes must be included in this line item. Tax should be applied for the state where the waste will be disposed of.

A.3 Schedule

GES anticipates needing boxes spotted as soon as possible but no later than September 12, 2016. See Section A.5, Liquidated Damages, below for penalties associated with not meeting the deadlines outlined in this section.

Within sixty (60) days of waste shipment all waste disposal must be complete and all certificates of disposal and completed invoices received (must include at a minimum: all related executed manifests and all certificates of treatment, storage and disposal not previously received by GES and weight tickets as appropriate). **For any delay in the waste disposal or receipt of deliverables, payment will be reduced by 5% of the total invoiced amount under this subcontract for each 30-day period, beginning on the first day of each 30-day period.**

A.4 Health and Safety

Subcontractor organizations are responsible for safely performing their assigned work activities in accordance with all applicable federal, state, and client-specific occupational safety, health and environmental (SH&E) regulations and requirements. Subcontractors will be provided with GES's project-specific SH&E documentation for the specification of minimum acceptable on-site SH&E performance. Subcontractors are responsible for ensuring that their employees and any contract employees are provided with the appropriate SH&E information, equipment and training. All equipment brought onsite must meet all applicable federal, state, and local regulations. The Subcontractor will be solely responsible for the safety of their employees and meet, at a minimum, regulatory standard compliance of 29 CFR parts 1910 (General Industry).

- Any cost or schedule impacts resulting from a subcontractors' non-compliance with applicable SH&E regulations and requirements or GES operational procedures are the responsibility of the subcontractor.

Subcontractors work activities associated with the setup, maintenance and removal of all equipment and performance of tasks must comply with federal, state, and local regulations. Subcontractors must at all times when on the project worksite, subcontractor personnel will wear, at a minimum, Level D personal protective equipment (PPE) to include the following, regardless of existing site conditions or hazards:

- Long pants and short sleeved or long sleeved shirts
- Hard hats
- Safety glasses (ANSI Z87.1-1989)
- Safety-toe work boots (ANSI Z41.1-1969) – protection of the ankle areas is required
- Highly-reflective safety vest (when working around mobile equipment, in high traffic areas, or around vehicle traffic)

The Subcontractor is solely responsible for the safe performances of all agreed services by its employees and/or subcontracted service providers and implementation of any appropriate/ required written health and safety documentation. All work will be performed in accordance with applicable federal, state, and local regulations governing health and safety, including the health and safety rules established for the site. The Subcontractor must take all steps and precautions to prevent accidents and/or injuries to site personnel, visitors surrounding environment and community. The Subcontractor will immediately report all injuries, illnesses, and accidents to the GES Project Manager and provide follow-up documentation as required by the HASP (Health and Safety Plan).

A.5 Liquidated Damages

For any delay in the acceptance of the waste from the site, not due to acts of GES, or other factors outside of the subcontractor's control (such as inclement weather, floods, acts of war, etc.) a reduction in the total charge for services will be **\$1500.00** per day, for each additional day the waste remains on site (see A.3 Schedule). For any costs incurred by GES due to subcontractor non-performance, costs incurred will be deducted from the subcontractor's invoice.

For any delay in the waste disposition or the receipt of the certificates of disposal will result in a reduction of total payment by 5% per each 30-day period.

If liquidated damages are invoked GES will deduct the charges from the subcontractor's invoice prior to payment and notify the subcontractor in writing.

A.6 Additional Requirements

A.6.1 CERCLA Compliance – This section must be completed.

Vendor's proposed facilities must comply with the CERCLA off-site rule (Subcontract clause 3.1). The facility(ies) accepting the waste must be in compliance with the CERCLA Off-Site Disposal Rule (40 CFR 300.440 as stated in Federal Register Vol. 58, No. 182, dated September 22, 1993) and must have all required permits. All intermediate facility(ies)/Treatment, Storage, and Disposal Facility(ies) (TSDF) at which waste stops en route to the final disposal facility must also be listed and in compliance with the off-site policy. If, at any time during the duration of this contract, the TSDF or ultimate disposal facility receives

notice that it is not or may not be in compliance with the CERCLA Off-Site Disposal Rule, the subcontractor shall notify Janelle Kite with GES immediately by phone call and in writing. In any event, GES shall have the right to unilaterally terminate this contract.

The generator of this waste material is:

U.S. EPA Region II
2890 Woodbridge Avenue
Edison, NJ 08837
Contact: Eric Daly

Transporter and Treatment, Storage, and/or Disposal Facility(ies) (TSDF) will take place at the following (use additional pages if necessary):

| Facility Name | Facility Address | Facility EPA ID # | Line Item | Method of Disposal/Treatment |
|---------------|------------------|-------------------|-----------|------------------------------|
| | | | | |
| | | | | |
| | | | | |

| Transporter Name | Transporter EPA ID # |
|------------------|----------------------|
| | |
| | |

GES will not pay for any Treatment, Storage, and/or Disposal which takes place at a facility not listed by the vendor herein as one of the disposal facilities that will be used. If a different disposal facility must be used, a written Change Order must be executed by GES and the subcontractor prior to its use in order for the subcontractor to be paid.

A.6.2 Deliverables

The subcontractor must supply GES with the following documentation.

A.6.2.1 Manifest

The subcontractor must provide fax/electronic copies of unsigned, completed manifests to Janelle Kite of GES located at 70 Albe Drive, Newark, DE 19702 at least three (3) days prior to shipment of the waste. GES must review and approve the manifest before submission to site. GES requires the unsigned,

completed manifests to be delivered to site at least one (1) day prior to the shipment of the waste. For any delay in the receipt of the fax/electronic or site manifests, liquidated damages will accrue at twenty dollars (\$20.00) per day until all manifests are received. The subcontractor must provide a photocopy of all fully executed manifests to GES prior to invoicing; invoices will not be paid until these are received.

A.6.2.2 Certificates of Disposal

Certificates of disposal from the final facility must be sent to Janelle Kite of GES at 70 Albe Drive, Newark, DE 19702. If waste is accepted at one facility and is disposed of at another, the certificates must be from the final disposal facility. If waste is treated at one facility and remains of the waste are sent to a second facility, GES must receive a certificate of treatment from the first facility and a certificate of disposal from the final facility(ies). Certificates of disposal must include the number of the manifest when the waste was transported off site, as well as a description of the waste as reported on the manifest. Certificates must be received by GES within sixty (60) days from date of receipt of waste from site. Invoices will not be paid until these are received.

A.6.3 Off-Specification Material (Off-Spec)

In the event that any Off Spec material arrives at the disposal facility, prior written authorization must be given by Janelle Kite located at 70 Albe Drive, Newark, DE 19702 of GES before any additional charges are authorized to be incurred. GES defines Off Spec materials based on the composite analytical representing a particular waste stream. GES will not acknowledge load-specific surcharges. Before GES will authorize any additional cost, the contractor WILL provide in writing on company letterhead a statement certifying that the waste is Off Spec waste. The signatory person of this written statement must have the authority to bind the subcontractor's company legally. In addition to the statement that the waste is Off Spec, the written notification WILL include the reason the waste was deemed Off Spec. The reason WILL include how the waste was profiled and which parameter on the profile was incorrect. If the waste is deemed to be Off Spec due to its chemical nature, the Off Spec Notification must be accompanied by hard copy analytical data from the laboratory performing the testing that determines when materials are Off Spec. In this circumstance, it will be the subcontractor's responsibility to provide (if requested by the GES Response Manager) a thirty two ounce (32 oz) sample of the Off Spec waste at no additional cost to GES. If the waste is Off Spec due to physical characteristics, the vendor must provide photo documentation of the waste.

A.6.4 General Requirements

All EPA and DOT documentation, manifesting, marking, and permitting requirements, including but not limited to waste profiles, manifests, certifications of disposal, hazardous and solid waste transporter permits, decals, labels, and DOT placards are the responsibility of the subcontractor.

A representative from the subcontractor must be available, by telephone, during loading operations to coordinate the loading and offsite transportation activities with the GES Transportation and Disposal (T&D) Coordinator. The subcontractor will be required to adhere to the *Service Contract Rates* as outlined in Exhibit E of this subcontract agreement for all personnel working on this project.

All transportation scheduling and operations are to be coordinated with the GES T&D Coordinator, to limit potential demurrage time during loading operations and to minimize interference with site operations.

The original certificates of receipt (signed manifests) by the disposal facility must be returned to GES within seven (7) business days from the shipping date.

The period of performance for this Subcontract is anticipated to be 'Upon Receipt of the Notice to Proceed' through April 28, 2017. The GES T&D Coordinator will coordinate the exact date(s) with the selected Subcontractor(s).

**SUBCONTRACT AGREEMENT
FOR
TRANSPORTATION AND DISPOSAL SERVICES
BETWEEN
GUARDIAN ENVIRONMENTAL SERVICES, INC.
AND
SELECTED SUBCONTRACTOR**

This Subcontract Agreement, effective XXXXXXXX, is entered into between Guardian Environmental Services, Inc. (hereinafter referred to as "Guardian") and selected subcontractor, (hereinafter referred to as "Subcontractor").

WHEREAS, Guardian has entered into Contract No. EP-S2-15-01 (the "Prime Contract") with the Environmental Protection Agency (EPA) to perform Emergency and Rapid Response Services;

WHEREAS Guardian has been issued Task Order 0023 to provide emergency response services at the Niagara Falls Boulevard site in Niagara Falls, NY;

WHEREAS, the scope of the Prime Contract requires performance of transportation and disposal (T&D) services;

WHEREAS, Guardian desires Subcontractor to perform certain transportation and treatment/disposal services in connection with the above and Subcontractor is willing to perform such services;

WHEREAS, the Subcontractor represents and warrants that it is qualified by registration and experience to perform all of the technical services required under the Subcontract; and

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties hereto agree as follows:

SCHEDULE ARTICLES

1.0 STATEMENT OF WORK

- 1.1 The Subcontractor shall furnish qualified personnel, material, and services not otherwise provided by Guardian under the terms of this Agreement, as necessary to perform those services as described in Exhibit A, (attached hereto and made a part of this Agreement), in support of Guardian obligations under Task Order 0023 under Prime Contract No. EP-S2-15-01 with the EPA.
- 1.2 Before undertaking work, Subcontractor shall carefully study and compare the specifications and check and verify pertinent figures shown thereon and all applicable field conditions. Subcontractor shall promptly report in writing to Guardian any conflict, error or discrepancy which Subcontractor may discover and shall obtain a written interpretation or clarification from Guardian before proceeding with any work affected thereby.
- 1.3 The Subcontractor shall perform all Work in a manner best calculated to promote prompt execution and to assure safety of life and property. The Subcontractor shall be completely and solely responsible for means and methods of performance of this Subcontract and the safety procedures and programs incidental thereto. The

Subcontractor shall be represented on the work site at all times by a competent supervisor.

- 1.4 The Statement of Work (Exhibit A) specifies anticipated waste streams that require disposal under this subcontract. Subcontractor will not be entitled to any adjustment in subcontract price as long as the actual waste streams are within these pre-established ranges.

2.0 COMMENCEMENT, PROSECUTION, AND COMPLETION OF WORK

- 2.1 The time of beginning, rate of progress and time of completion of the work under the Subcontract are of the essence. The Subcontractor shall (a) commence work under this Subcontract as set forth in Article 5.0, (b) prosecute the work diligently, and (c) complete the entire work ready for use not later than the date specified in Article 5.0. The time stated for completion shall include cleanup of the premises. Evidence that Subcontractor has started the procurement of materials, preparation and submission of support plans, detailed schedules, shop drawings, preparation of subcontracts and other preparatory work (not involving actual work at the site) will satisfy the requirement for commencement of work.
- 2.2 If, in the opinion of the Response Manager, Subcontractor falls behind the schedule required to meet completion requirements of this Subcontract, Subcontractor shall take steps necessary to improve its progress, including those that may be required by Guardian without additional cost to Guardian including; additional shifts, overtime, and increases in the number of work days and/or amount of equipment.
- 2.3 Failure of Subcontractor to comply with the requirements of this provision may result in a determination by Guardian that Subcontractor is not prosecuting the work with sufficient diligence so as to avoid endangering timely performance. In the event of such a determination Guardian may terminate the Subcontract for default.
- 2.4 Guardian shall be entitled to recover project-related costs from Subcontractor due solely to Subcontractor equipment delays, Subcontractor mobilization delays, the failure of the approved disposal facility(ies) to be able to accept waste, and delays caused by failure of Subcontractor to comply with project personnel health and safety requirements

For any delay in the acceptance of the waste from the site, not due to acts of GES, or other factors outside of the subcontractor's control (such as inclement weather, floods, acts of war, etc.) a reduction in the total charge for services will be **\$1500.00** per day, for each additional day the waste remains on site (see A.3 Schedule in SOW). For any costs incurred by GES due to subcontractor non-performance, costs incurred will be deducted from the subcontractor's invoice.

If liquidated damages are invoked GES will deduct the charges from the subcontractor's invoice prior to payment and notify the subcontractor in writing.

- 2.5 Subcontractor shall accept the risk of encountering inclement weather during implementation of described work and shall not be allowed stand-by time for inclement weather delays.

3.0 DISPOSAL METHOD & FACILITY

- 3.1 The Subcontractor must comply with all aspects of the U.S. Environmental Protection Agency's CERCLA Off-Site Disposal Policy, dated May 1985, as revised November 13, 1987 and October 27, 1993 by enactment of the Off-site Rule as set forth at CFR Part 300.440 (Procedures for Planning and Implementing Off-site Response Actions). These rules and procedures require, among other things, that waste may only be transferred to properly permitted facilities; that the facility must be in compliance with RCRA and other applicable Federal and State laws and regulations in effect at the time of disposal; and that the facility must have permits or other appropriate authorization to operate in order to be acceptable for receiving CERCLA waste.

The following disposal methods, transporter and facilities are approved for disposal of waste under this subcontract:

| Disposal Method | Facility | Transporter |
|-----------------|----------|-------------|
| | | |
| | | |

The Subcontractor may not utilize alternative disposal facilities without prior advance approval from Guardian. The Subcontractor will not be entitled to an adjustment in contract price if alternative disposal facilities are necessary.

4.0 MANIFESTS AND CERTIFICATES OF DISPOSAL

- 4.1 The Subcontractor shall provide certificates of receipt in the form of signed manifests to both Guardian and EPA within seven (7) business days from the date the wastes are transported offsite by the subcontractor. EPA is considered to be the generator of waste to be disposed of under this subcontract.
- 4.2 Certificates of treatment and/or disposal shall specify the treatment/disposal technology applied to each waste stream and the final disposition of each waste stream. Within sixty (60) days of waste shipment all waste disposal must be complete and all certificates of disposal and completed invoices received (must include at a minimum: all related executed manifests and all certificates of treatment, storage and disposal not previously received by GES and weight tickets as appropriate). *For any delay in the waste disposal or receipt of deliverables, payment will be reduced by 5% of the total invoiced amount under this subcontract for each 30-day period, beginning on the first day of each 30-day period.*
- 4.3 Copies of the manifests and certificates described in paragraphs 4.1 and 4.2 above must be attached to the invoice for payment. Invoices for disposal will not be processed without this documentation.

5.0 PERIOD OF PERFORMANCE

- 5.1 The period of performance for this Subcontract is _____. Time is of the essence.

- 5.2 Work shall be completed within the schedule proposed by Subcontractor which is included in the Statement of Work. Failure to meet the schedule dates will subject the Subcontractor to liquidated damages in the amount of 1500.00/day.

6.0 CONSIDERATION AND PAYMENT

- 6.1 The ceiling price for Transportation and Disposal services under this subcontract is not to exceed XXXXX and (zero) cents (\$XXXXX).
- 6.2 Upon delivery and acceptance work performed under this Subcontract, Guardian shall pay to the Subcontractor the extended unit price(s) for work as set forth in Exhibit B entitled "Rates for Transportation and Disposal Services", less any amount to be withheld pending compliance with other Articles of this Subcontract.
- 6.3 Invoices shall be prepared and submitted to:

Guardian Environmental Services Company, Inc.
70 Albe Drive
Newark, DE 19702
Attn: Accounts Payable
Email:ap@gesoncall.com

Invoices shall contain the following information: Subcontract number, dates of services. Invoices for disposal must include copies of manifests and/or certificates as set forth in paragraphs 4.1 and 4.2 above and be easily referenced to the pricing provided in Exhibit B

- 6.4 If Guardian objects to any invoice submitted by Subcontractor, Guardian shall so advise Subcontractor in writing giving reasons within seven days of receipt of an invoice. Guardian shall promptly invoice EPA for Subcontractor's services and shall make timely payment for any portion of the invoice not in dispute. **Guardian shall pay Subcontractor within ten (10) days of the time Guardian receives payment from EPA for the services invoiced.**
- 6.5 The Subcontractor warrants that title to all work covered by any invoice payment shall be, upon receipt of payment therefore from Guardian, free and clear of any liens, claims, security interests or encumbrances in favor of Subcontractor, any subcontractor, or any person or entity making claim by reason of having provided labor, materials or equipment pursuant to the Subcontract.
- 6.6 The price in paragraph 6.1 includes all applicable Federal, State and local taxes and duties.

- 6.7 The acceptance by the Subcontractor of the final payment shall release Guardian from all claims and all liability to the Subcontractor for all things done or furnished in connection with the work, and every act of Guardian and others relating to or arising out of the work, except claims previously made in writing and still unsettled. No payment, however, final or otherwise, shall operate to release the Subcontractor or its sureties or insurers from obligations under the Subcontract including, warranties, and liabilities, as herein provided or as may be imposed by law including but not limited to claims which indemnification is provided for under the provisions of this Subcontract. **The final invoice for payment must include the completed affidavit provided in Exhibit C to this subcontract. Final payment will be withheld pending receipt of this documentation.**

7.0 AUDIT, ACCESS TO RECORDS

- 7.1 Subcontractor shall maintain such books, records, documents, and other data, and shall use such accounting procedures and practices, as are necessary to reflect properly all costs claimed to have been incurred or anticipated to be incurred in performance of this Subcontract. Guardian shall have the right to examine and audit all of the above in Contractor's offices upon reasonable notice to Subcontractor.
- 7.2 Subcontractor shall make available at his office at all reasonable times the materials described in the paragraphs above, for examination, audit, or reproduction for three years after the completion of this Subcontract, unless a longer records retention period is required under other provisions of this Subcontract.

8.0 INSPECTION AND ACCEPTANCE

Inspection and acceptance of the services and documentation called for hereunder shall be accomplished by the Guardian Response Manager or his designee.

9.0 WARRANTY OF SERVICES

- 9.1 Definitions. "Acceptance," as used in this clause, means the act of an authorized representative of Guardian by which Guardian assumes for itself, or as an agent of another, ownership of existing and identified supplies, or approves specific services, as partial or complete performance of the Subcontract. "Correction," as used in this clause, means the elimination of a defect.
- 9.2 Notwithstanding inspection and acceptance by Guardian or any provision concerning the conclusiveness thereof, the Subcontractor warrants that all services performed under this Subcontract will, at the time of acceptance, be free from defects in workmanship, and conform to the requirements of this Subcontract. Guardian shall give written notice of any defect or nonconformance to the Subcontractor. This notice shall state either (1) that the Subcontractor shall correct or re-perform any defective or nonconforming services, or (2) that Guardian does not require correction or re-performance.
- 9.3 If the Subcontractor is required to correct or re-perform, it shall be at no cost to Guardian, and any services corrected or re-performed by the Subcontractor shall be subject to this clause to the same extent as work initially performed. If the Subcontractor fails or refuses to correct or re-perform, Guardian may, by subcontract or otherwise, correct or replace with similar services and charge to the Subcontractor the cost occasioned to Guardian thereby, or make an equitable adjustment in the Subcontract price.

- 9.4 If Guardian does not require correction or re-performance, Guardian shall make an equitable adjustment in the Subcontract price.

10.0 INDEMNIFICATION

- 10.1 The Subcontractor shall defend, indemnify and hold harmless to the full extent permitted by law, the United States Government and Guardian, and their employees and agents, from and against any and all claims damages, demands, suits, actions, judgments, liabilities, defaults, or costs and expenses, including court costs and attorney fees (all of which shall collectively be referred to herein as the "Liabilities"), including without limitation any claims or proceedings relating to any hazardous wastes or toxic substances present on each site or location, or involving any violation of, or any liability under the Resource Conservation and Recovery Act ("RCRA"), the Comprehensive Environmental Response Conservation and Liability Act ("CERCLA"), the Occupational Safety and Health Act ("OSHA"), or any other federal, state or local environmental statutes or any amendment thereto, extension thereof, or regulations therein, arising out of the Subcontractor's negligent performance and/or willful misconduct hereunder.

Notwithstanding any other provision herein to the contrary, the Subcontractor shall not be obligated to indemnify the United States Government and Guardian, and their employees and agents for liabilities caused by their negligent acts or omissions.

Subcontractor's and lower tier subcontractors' at any tier, Guardian's and Government's obligation under this clause shall survive any expiration or termination of this Subcontract or the period of performance hereunder for a period of five (5) years from the date of expiration or termination or completion of the last performance date of any task assignment issued under this Subcontract.

The contents of this paragraph 10.1 shall flow down to all subcontractors.

- 10.2 In addition to the indemnities provided in paragraph 10.1 above, Subcontractor shall defend, indemnify and hold Guardian harmless from any and all claims, damages, demands, suits, actions, judgments, liabilities, defaults, or costs and expenses arising directly or indirectly out of or related to the following:
- 10.2.1 Any assertion by the Government that any cost, price or fee included in the Prime Contract should or will be reduced as a result of, or arising out of facts attributable to, cost or pricing data furnished or required to be furnished by the Subcontractor or its lower tier Contractors which was not current, accurate, or complete.
- 10.2.2 A violation by Subcontractor of any applicable law, rule, or regulation.
- 10.2.3 Any penalty or fine incurred by or assessed against Guardian to the extent caused by Subcontractor, its employees, agents, suppliers, or Contractors.

10.2.4 Any failure on the part of Subcontractor to provide any certification or supporting information required hereunder or under applicable laws and regulations.

10.2.5 The provision by Subcontractor of any false or erroneous certifications or supporting information required hereunder or under applicable laws and regulations.

10.3 In the event that it is necessary to enforce the indemnity obligations herein, the losing party in any such enforcement action shall pay the prevailing party's court costs and reasonable attorney's fees.

11.0 SUBCONTRACTOR'S INSURANCE

11.1 General

11.1.1 The Subcontractor shall provide (from insurance companies acceptable to Guardian) the insurance coverage designated hereinafter at its cost.

11.1.2 The Subcontractor shall provide Guardian with any policy changes or revisions or endorsements, which materially alter the policy coverage within 30 days of such change or alternation. This notice shall be sent by registered mail.

11.1.3 In case of the breach of any provision of this Article, Guardian, at its option, may take out and maintain, at the expense of the Subcontractor, such insurance as Guardian may deem proper and may deduct the cost of such insurance from any monies which may be due or become due the Subcontractor under this Subcontract.

11.2 Subcontractor Insurance.

The Subcontractor shall not commence Work under this Subcontract until it has obtained all the insurance required hereunder and certification of such insurance has been received by Guardian, nor shall the Subcontractor allow any lower tier subcontractor to start work at a site until insurance specified below has been obtained. The Subcontractor shall provide current insurance certificates throughout the term of the Subcontract. Review of the insurance certificate by Guardian shall not relieve or decrease the liability of the Subcontractor hereunder. Should any of the policies be cancelled before the date thereof, notice will be delivered in accordance with the policy provisions.

11.3 Required Levels of Insurance.

The Subcontractor shall obtain at a minimum the following types of insurance:.

- 11.3.1 Workers' Compensation and occupational disease insurance in amounts needed to satisfy Federal and any State laws applicable to the jurisdiction where work is being performed including any occupational disease statutes;
- 11.3.2 Employer's liability insurance in the minimum amount of \$500,000 per occurrence;
- 11.3.3 Comprehensive or Commercial general liability insurance for bodily injury, death, or loss of or damage to property of third persons in the amount of \$1,000,000 per occurrence;
- 11.3.4 Comprehensive automobile insurance in the amounts of \$1,000,000 Combined Single Limit
- 11.3.5 Pollution Liability insurance in the amount of \$1,000,000 per occurrence.
- 11.4 Subcontractor's insurance for the liabilities assume by Subcontractor under the indemnity provision of this Subcontract, Guardian and the Government, its officers, agents and employees shall be named as additional insured on Subcontractor's insurance policies required under 11.3.3 and 11.3.4 which shall be primary to any coverage maintained by Guardian. This provision shall be included in any lower tier subcontractor.
- 11.5 Subcontractor shall arrange with its insurers a Waivers of Subrogation in favor of Guardian and its subcontractors and vendors on all insurance policies obtained or maintained for this project.

12.0 PROJECT SAFETY PROGRAM

Subcontractor agrees to cooperate with Guardian in efforts to prevent injuries to workers employed by either party in carrying on operations covered by this Subcontract and to adopt and place in effect such suggestions as may be offered by Guardian. Guardian has a Health and Safety Program for the promotion of the health and safety of all personnel engaged in on-site activities. In the event of an accident or incident that occurs during performance of This Part of the Project, Subcontractor shall notify Guardian as soon as possible, but not more than 24 hours following accident/incident. Subcontractor shall provide a copy of the Worker's Compensation Employer's First Report of Injury (or equivalent) within 24 hours of injury/illness that occurs during the performance of Work.

13.0 PUBLICITY

- 13.1 The Subcontractor agrees to notify and obtain the written approval of Guardian prior to releasing any information to any third parties including the news media regarding any work under this Subcontract except as required by law. The Subcontractor shall immediately notify Guardian of the receipt of a demand by a third party for the disclosure of field test data generated under this Subcontract. This requirement shall be inserted in all lower tier subcontracts issued under this Subcontract.
- 13.2 The Subcontractor agrees not to refer to this Subcontract in commercial advertising in such a manner as to state or imply that the product or service provided is endorsed or preferred by the Government, or considered by the Government to be superior to other products or services. News releases, advertising, and company brochures containing information pertaining to this procurement will not be made without concurrence of the Government which shall be requested by Guardian. This requirement shall apply to all lower tier subcontractors.

14.0 TECHNICAL DIRECTION

The performance of the work required under this Subcontract shall be subject to the technical direction and surveillance of the Guardian Response Manager. As used herein, "technical direction" is direction to the subcontractor, which fills in details, requires pursuit of certain lines of inquiry, or otherwise serves to accomplish the statement of work. For the technical direction to be valid it:

- 14.1. Must be issued in writing consistent with the general scope of the work set forth in Exhibit A.
- 14.2. May not constitute new assignment of work or changes to the expressed terms, conditions, or specifications incorporated into the Subcontract.
- 14.3. Shall not constitute a basis for any increase in the price or extension to the delivery schedule set forth in the Subcontract.

As used herein, surveillance includes, but is not restricted to, the right of prior review and consent by the Response Manager to any Subcontractor initiated internal changes or changes within the terms, conditions, and Exhibit A, Statement of Work. Nothing contained in this Article authorizes the Subcontractor to incur costs in excess of the Subcontract Ceiling Price.

15.0 DISPUTES

If there is a dispute over any of the terms of this Agreement, there shall be a meeting of the parties, which shall be attended by a representative of each party who has authority to resolve the dispute. The meeting shall take place within three (3) days from written notice by any party that a dispute exists and shall be a prerequisite to any action, suit or proceeding over any of the terms of the Agreement, except when injunctive relief is necessary.

16.0 CONFIDENTIALITY OF INFORMATION

- 16.1 To the extent that the work under this Subcontract requires that the Subcontractor be given access to confidential or proprietary business, technical, or financial information belonging to Guardian or other companies, the Subcontractor shall after receipt thereof,

treat such information as confidential and agrees not to appropriate such information to its own use or to disclose such information to third parties unless specifically authorized by Guardian in writing. The foregoing obligations, however, shall not apply to:

- 16.1.1 Information, which, at the time of receipt by the Subcontractor, is in public domain.
 - 16.1.2 Information, which is published after receipt thereof by the Subcontractor or otherwise becomes part of the public domain through no fault of the Subcontractor.
 - 16.1.3 Information, which the Subcontractor can demonstrate was in its possession at the time of receipt thereof and was not acquired directly or indirectly from Guardian or other companies.
 - 16.1.4 Information, which the Subcontractor can demonstrate was received by it from a third party who did not require the Subcontractor to hold it in confidence.
- 16.2 The Subcontractor shall obtain the written agreement, in a form satisfactory to the Guardian, of each employee permitted access, whereby the employee agrees that he will not discuss, divulge or disclose any such information or data to any person or entity except those persons within the Subcontractor's organization directly concerned with the performance of the Subcontract.
- 16.3 The Subcontractor agrees, if requested by Guardian, to sign a Subcontract identical, in all material respects, to the provisions of this Article, with each company supplying information to the Subcontractor under this Subcontract, and to supply a copy of such Subcontract to Guardian. From time to time upon request of Guardian, the Subcontractor shall supply Guardian itemizing information received as confidential or proprietary and setting forth the company or companies from which the Subcontractor received such information.
- 16.4 The Subcontractor agrees that upon request by Guardian it will execute a pre-approved Subcontract with any party whose facilities or proprietary data it is given access to or is furnished, restricting use and disclosure of the data or the information obtained from the facilities. Upon request by Guardian, such Subcontract shall also be signed by Subcontractor personnel.
- 16.5 This clause shall flow down to all subcontracts.

17.0 OWNERSHIP OF SUBCONTRACT DOCUMENTS

All portions of the Subcontract Documents, and copies thereof furnished by Guardian, are the property of Guardian and/or the Government. They are not to be used in whole or part on any other work without the written authorization of Guardian. Except for the signed copy of this Subcontract, at the request of Guardian, all documents are to be returned to Guardian at the completion of the work. Any use of these materials without authorization by Guardian will be at the risk of the Subcontractor and without liability or legal expense to Guardian. The Subcontractor shall defend, indemnify and hold Guardian harmless from any and all damages of whatsoever kind, including reasonable attorneys' fees, from any and all claims arising from any such use.

18.0 GENERAL AND SPECIAL PROVISIONS

This Subcontract includes the General Provisions set forth as Exhibit D to this Subcontract.

19.0 ORDER OF PRECEDENCE

In the event of an inconsistency in this Subcontract, unless otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order: (a) the Schedule Articles; (b) General Provisions in Exhibit D, (c) other Exhibits; and (d) drawings.

If, during the performance of the Work, Subcontractor finds a conflict, error or discrepancy in the Subcontract Documents, Subcontractor shall so report to Guardian immediately, and before proceeding with the work affected thereby, shall obtain a written interpretation or clarification from Guardian.

21.0 COMMUNICATIONS WITH THE FEDERAL GOVERNMENT

All of the Subcontractor's written or verbal communications to the Federal Government, State or local agencies relative to work under this Subcontract **must** be through Guardian.

22.0 GENERAL

- 22.1 This Subcontract contains the entire Subcontract between Guardian and Subcontractor with respect to this procurement and supersedes any other Subcontracts or understandings oral or written. Failure of Guardian to enforce any of its rights hereunder shall not constitute a waiver of such rights or of any other rights under this Subcontract. Upon execution of this Subcontract by the parties hereto, all proposals, orders, Subcontracts or other understandings, oral or written, in relation to this Subcontract (except as specifically incorporated herein) shall be canceled and superseded by this Subcontract as of its effective date.
- 22.2 Subcontractor agrees that in all matters relating to this Subcontract it shall be acting as an independent contractor and shall assume and pay all liabilities and perform all obligations imposed with respect to the performance of this Subcontract. Subcontractor shall have no right, power or authority to create any obligation, expressed or implied, on behalf of Guardian and/or the Government and shall have no authority to represent Guardian as an agent.
- 22.3 In the event any article, section, sub-article, paragraph, sentence, clause, or phrase contained in this Subcontract shall be determined, declared, or adjudged invalid, illegal, unconstitutional or otherwise unenforceable, such determination, declaration, or adjudication shall in no manner affect the other articles, sections, sub-articles, paragraphs, sentences, clauses, or phrases of this Subcontract, which shall remain in full force and effect.
- 22.4 The headings and titles to provisions of this Subcontract are for convenience only and shall not be deemed to modify or affect the rights and duties of the parties to this Subcontract.
- 22.5 Neither the Subcontract nor any interest therein shall be assigned or transferred by Subcontractor, except as expressly authorized by Guardian. Subcontractor may not subcontract any work under this Subcontract without advance approval from Guardian.
- 22.6 Except as otherwise directed by Guardian, Subcontractor shall procure all necessary permits or licenses and abide by all applicable laws, regulations, and ordinances of the United States and of the State, territory, and political subdivision in which the Subcontract is performed.
- 22.7 In addition to the rights set forth in this Subcontract relating to termination, Guardian may terminate this Subcontract for default, in whole or in part, by written or telegraphic notice to Subcontractor if (i) the Subcontractor shall become insolvent or make a general assignment for the benefit of creditors, or (ii) a petition under any bankruptcy or similar statute is filed by or against the Subcontractor and not vacated within ten days after it is filed.
- 22.8 Any terms and conditions of this Subcontract intended by their terms to survive the Subcontract completion date, including but not limited to indemnification, record keeping

requirements, price reduction based on cost or pricing data, latent and patent defects, warranty and other provisions, shall survive the completion of services under this Subcontract and the termination of this Subcontract for any cause.

- 22.9 This Subcontract shall be governed by and construed in accordance with Federal Government procurement law and, to the extent applicable, laws of the State of Delaware. Subcontractor agrees to comply with the applicable provisions of any Federal, State or local law or ordinance and all orders, rules and regulations issued therein.

23.0 MODIFICATION AUTHORITY

Notwithstanding any of the other Articles of this Subcontract, Mr. Joseph A. Cunane, President, and Sherry Maule, Chief Financial Officer of Guardian Environmental Services Company, Inc., shall be the only individuals authorized to (1) Accept nonconforming work; (2) Waive any requirement of this Subcontract; or (3) Modify any term or condition of this Subcontract. Any modification to this subcontract agreement must be completed in writing and signed by the representatives of both parties before it is enacted.

24.0 NON-CONFORMING WASTE MATERIALS

If the waste materials do not conform to the descriptions and specifications stated in the corresponding facility Waste Profile Sheet, the Subcontractor and Guardian shall in good faith, attempt to amend the Waste Profile Sheet and any other pertinent documents, and/or correct any improper containerization, marking or labeling to enable the facility to accept such non-conforming waste materials. If the parties cannot, within a reasonable time after the Subcontractor notifies Guardian the waste materials are non-conforming, resolve the same as set forth above, the Subcontractor and Guardian shall make arrangements for the removal of such non-conforming waste materials from the facility.
